

Red Level Networks announces their participation with CISCO and the NOW (Network On Wheels) Technology Event on June 26th at RLN's HQ in Novi.

NOVI, Mich. – **Red Level Networks of Novi is pleased to announce they will exhibit the CISCO Network on Wheels – NOW Van in Novi** on Friday June 26th from 3 pm to 6 pm. The CISCO 27' RV is loaded with the latest technology products that CISCO offers. There will be demonstrations of routers, switches, hubs, telephony, wireless access points, physical security devices and surveillance systems.

"We are proud to be a part of the CISCO Network on Wheels Event and are looking forward to exhibiting by demonstrating the innovative, technology-related advancements and Cisco's world-class reputation for continuing improvements of technological resources," said David King, Red Level Networks president. Red Level Networks is a proud Select Certified Partner with CISCO. Cisco's Select Certified Level is designed to reward strategic Cisco Partners, like Red Level Networks, who have provided "value selling" around Cisco Systems products and solutions. Red Level Networks is now qualified to offer the best prices possible to their customers on all Cisco products featuring Unified Communication Solutions, Mobility and Wireless Solutions and Network and Physical Security Solutions.

Included as an exhibitor for this event will be Computer Data Inc, of Southfield, MI. Computer Data, Inc. is a Cisco Learning Partner. Founded in 1983 and headquartered in Michigan, Computer Data, Inc. is a provider of technical networking training. Computer Data Inc. specializes in delivering authorized Cisco training throughout the U.S. and globally. The majority of the instructors are CCIE's who can train at all levels of Cisco technology. Computer Data Inc. prides itself on being flexible, cost-effective and will listen to your needs to deliver a training solution that works best for you. Please call Kathy Murphy at 800.755.0142.

David King, Owner of Red Level Networks states, "Cisco provides the best platform for our clients by ensuring access to information from anywhere while reducing operating expenses. We are pleased that we provide such powerful and secure solutions that enable connectivity between employees, customers and information." For more information on the viewing and hands on demonstrations, please call Jennifer Swiderski at 248.412.8200 ext 1026 or e-mail: jswiderski@redlevelnetworks.com.
